

Welcome back to JacksonXC's Ski Swap! Thank you for planning to sell your items here.

Consignor numbers and passwords from last year are still valid; if you have forgotten your username and or password, a password reset link is available on the login page.

You may drop-off consigned (or donated) items for the Ski Swap starting Monday, Oct. 21, 2024. Please call before stopping in to make sure that someone will be here to help you.

JacksonXC pays 80% of the selling price to the consignor.

Participants in the JacksonXC ski swap may waive the \$1.00 consignment fee for each item if they register their ski swap items themselves using the online system. Those who prefer to use the handwritten form will be charged \$1.00 per consignment item.

Donated consignment items will not be charged the \$1.00 consignment fee.

If your items do not sell during the ski swap, our retail space does feature an area where unsold ski swap items (apparel and gear) are available for purchase throughout the season. Jackson Ski Touring will also accept consignment items throughout the winter if you find more items as the season progresses.

We reserve the right to respectfully turn down consignment items that are unlikely to sell due to reasons that may include condition, excessive wear, etc.

Consignors are not required to print out your labels, only to input sale prices and descriptions onto your digital consignor inventory.

Consignment items will be accepted the day of the swap but may not make it onto our retail/consignment area the day of the swap. For any clarifications or other questions please email bronwyn@jacksonxc.org for assistance.

We will issue checks for items that sell at the Ski Swap within 7 days; consignor checks for items that sell during the winter season will be sent to the address provided by each consignor on their consignor profile page (accounts will be settled on a monthly basis.) **Online consignor registration must provide a valid email and mailing address for payments.** At the end of the ski season, consignors will be contacted to collect unsold consignment items. Below are the necessary direct links that will allow you to create a profile and then register inventory items that you would like to add to the sale.

LINKS and Label examples below!

NOTE: The “portal” has some quirks. The letters “jxski” show up in the email line ... put in your own email. Plus put in your own password.
